

Best Practice: 01**Title of the Practice- NCC cadets and NSS volunteers served as Corona Warriors**

The Context: The entire world is suffering with severe waves of Covid-19. In this pandemic situation college NCC cadets and NSS volunteers are available to serve the society.

Objective: The main objective of Corona Warriors is to be supportive the Doctors, Nurses and Police as they required more man power to control the situation and to serve in a better way.

Practice: NCC cadets and NSS volunteers served by distributing masks and ration kits. They were also made aware with importance of wearing the masks, keeping the social distance, hand washing, sanitizer etc.

Evidence of the success: NCC cadets and NSS volunteers joined with Health Department and Police Department and performed assigned duty.

Problems Encountered:

The main problem is public transport not available.

Best Practice: 02**Title of the Practice- Online Teaching through MS Teams & Google Meet****The Context:**

The Microsoft Teams and Google Meet are used as digital platforms to offer all of the conveniences of a traditional classroom without having to make the students commute to college during Covid-19 pandemic.

Objective:

The main objective of using Microsoft Teams and Google Meet are to impart online teaching to the students so that their studies are not affected by the Covid-19 pandemic.

Practice:

Conducting online classes through MS Teams & Google Meet and sharing study materials and giving the assignments to the students. Presentation and content delivery has been done by screen sharing. Teacher-students interaction including attendance, doubt solving and clearing concept related to the syllabus.

Evidence of the success:

Online teaching through Microsoft Teams & Google Meet has been successfully imparted.

Problem Encountered:

One crucial problem from student's point of view is that they many could not join the online classes regularly due to internet issues.
